Welcome C-EB Students, Families, and Community!

We here at C-EB Schools would like to welcome you to the 2020-2021 school year! As you may know, we are launching quarter #1 in the distance learning format. Our delivery method will be re-evaluated prior to the end of the quarter to determine if we will shift toward hybrid or full in-person attendance for learning. Our staff have been working diligently to ensure our curriculum, materials, and devices are ready for students to learn in a well prepared, secure, and caring virtual environment.

We are excited to welcome our newest staff members to the C-EB Team. Of course, we are also delighted for the return of our dedicated teachers who you know and love as well. We miss seeing your smiling faces in person, but also look forward to seeing and working with you virtually.

In order to provide an enhanced curriculum to prepare students for success in academics and in life, we will continue our social emotional skills programs and support services for all learners. Our goal is to ensure our learners are equipped with the knowledge and skills necessary to be successful in all aspects of life!

We look forward to working with our families and community partners in building a positive and enriching school experience for all. You may access the C-EB School websites at www.ohitika.com and <https://ceb.k12.sd.us/index.php>, Cheyenne-Eagle Butte Schools Facebook page, and local news outlets for announcements and information through the year.

We would like to thank you for your grace and patience as we work together to support our learners during this most unprecedented of times. With a little positivity and hard work, there will be no stopping our learners from thriving. Let's work together to make this a spectacular year!

Many thanks,

Kara Four Bear, Superintendent
