Impact Aid

Impact Aid is discretionary funding that replaces lost tax revenue due to federal lands (non-taxable) lands located within the school district's boundaries. These districts receive funding for students who live on or who have parents who work on Federal lands.

Funding Amount: This is the only program that is not forward funded; Congress appropriates the funds annually. Eagle Butte's 5-year average is \$3,665,172.

Description of Uses: Eagle Butte uses these funds in all aspects of school operation. Including but not limited to: class size reduction, extra-curricular activities, supplement the food service fund, music, art technology, busing, and facility maintenance and/or construction.
