

## Cheyenne-Eagle Butte Braves

**Mission Statement: To prepare students with the academic, spiritual, physical, cultural, and social skills needed to be productive world citizens and lifelong learners in a technological world.**

**Vision Statement: Keeping our Wakanyaja (children) sacred through positive thinking and positive actions.**

### Message from the Facilities & Transportation Director

My name is Mr. Petr Skaroupka. My employment with the Upper Elementary South Campus began in 2016 as a custodian and kitchen helper. I then moved into the position of facilities maintenance worker & bus driver and am now the Facilities & Transportation Director. Previously, I've been employed locally by the Habitat for Humanity Program, Tower Stool, local ranches/farms, and as a skilled carpenter.

I was born in the Czech Republic of Europe and graduated with a degree in Trades from Technical College. I've lived in the area for a few decades and the Cheyenne River Reservation is my home. I've been happily married to Betty Lou for 19 years and I work hard to support my family.

My passion for the outdoors and many other activities include traditional archery and bow-hunting, fishing, camping, and broadhead arrow collecting. I try to involve my family as much as possible in most outdoor activities.

My work responsibilities include the preventative and regular maintenance of the school buildings, properties, equipment, and grounds. Overseeing the custodial department personnel, equipment, and supplies. Driving bus and managing the transportation of students, buses and other transportation vehicles, and preventative maintenance. I also work to make sure our school is safe and clean for our children.

I look forward to the school year for our school and community.

Thank you,

Petr Skaroupka, Facilities & Transportation Director  
Eagle Butte School District 20-1  
Cheyenne-Eagle Butte Schools – South Campus
