Message from the UE Assistant Principal

Dear Parents and/or Guardians:

Hello, my name is Larry Keller and I am beginning my 35th year at C-EB. Of these years, the first 13 were spent as a K-12 student. It was in this time as a student that I began to realize that school and especially the relationship that staff and students have with one another are extremely powerful. I thought that perhaps I could help students as an adult, so I went off to college and returned a certified English Teacher.

In my career as a staff member I began as a teacher in the E.A.G.L.E. Center, and then transitioned into The C-EB High School. This experience provided the background experience to transition into an administrative role. As an administrator I have served as The Dean of Students for grades 7-12 and the Acting C-EB High School Principal.

In my current role I serve as the Upper Elementary Assistant Principal, and as the State Testing Director for our district. C-EB is my school and Eagle Butte is my community. I am thankful to have worked in my school for my entire career and to make Eagle Butte home. GO BRAVES.

Sincerely,

Larry Keller, UE Assistant Principal;
