PROFESSIONAL STAFF SUPPLEMENTARY PAY PLANS

Certain assignments require extra responsibility or extra time over and above that required of other staff members who are in the same position on the basic salary schedule. When such supplemental assignments require extra time and responsibility beyond that regularly expected of teachers, extra compensation will be rewarded.

Assignments that are to be accorded extra compensation will be negotiated by the Board. Recommendations for appointments to such positions will be made to the Board by the Superintendent.

A teacher who is offered and undertakes a supplementary pay assignment will enter into a one-year limited contract with the Board. The terms and salary for this assignment will be specified in the written teacher's contract, which is signed by the teacher, Board president and School District business manager.

If a teacher will not be extended the assignment for the following school year, but will remain on the teaching staff, they will be notified in writing, prior to the expiration of the contract.

If the assignment is terminated by the Board or by the teacher, prior to the end of the contract, the special allowance will cease.
