## **STUDENT PROGRESS REPORTS TO PARENTS/GUARDIANS**

The Board feels that it is essential for parents/guardians to be kept fully informed of their children's progress in school. Progress reports and/or conferences with parents/guardians will include academic, behavioral, special needs, and other pertinent information which contributes to the overall success of the student.

Report cards will be uniform throughout the district at comparable grade levels except as special forms may be developed for special programs or new forms tried out on a temporary basis.

Report cards will be distributed on a nine-week basis. The nine-week grade will be based on many factors.

Supplementary reports will be required for students in danger of failure. Conferences with parents/guardians also will be used as an integral part of the reporting system.
