

# Cheyenne-Eagle Butte Braves

**Mission Statement: To prepare students with the academic, spiritual, physical, cultural, and social skills needed to be productive world citizens and lifelong learners in a technological world.**

**Vision Statement: Keeping our Wakanyaja (children) sacred through positive thinking and positive actions.**

**Tuesday August 6<sup>th</sup> 2024**

## **Welcome C-EB Students, Families, and Community!**

We are excited to welcome you and your children to the 2024-2025 school year! Our team has been working hard to make sure everything is ready for a successful year—our curriculum, learning materials, electronic devices, and school facilities are all set up to provide a safe, secure, and caring environment where students can thrive.

We're thrilled to introduce some new staff members to the C-EB family, and we're also happy to see our dedicated teachers returning—many of whom you already know and love. We can't wait to partner with you to make this a great year for all our students!

As part of our commitment to always improving, we're excited to share some new initiatives for this school year. We've updated the K-12 math curriculum to better support our students and give them the skills they need for future success. We're also enhancing our social-emotional curriculum in grades K-6 to help our young learners grow both academically and personally. Plus, we're introducing Schoology, which will be integrated across K-12 to bring even more exciting improvements to our classrooms!

We're looking forward to working with our families and community partners to create a positive and enriching school experience for everyone. You can stay connected by visiting our websites at [www.ohitika.com](http://www.ohitika.com) and <https://ceb.k12.sd.us/index.php>, checking out the Cheyenne-Eagle Butte Schools Facebook page, following local news outlets, and keeping an eye out for mailings from the school.

Thank you for your continued support and partnership. Together, with positivity and hard work, there's no limit to what our students can achieve. Let's make this school year spectacular!
