

Cheyenne-Eagle Butte Braves

Mission Statement: To prepare students with the academic, spiritual, physical, cultural, and social skills needed to be productive world citizens and lifelong learners in a technological world.

Vision Statement: Keeping our Wakanyaja (children) sacred through positive thinking and positive actions.

Greetings!

Welcome to our school! My name is Kara Four Bear and I currently serve as your Superintendent of the Eagle Butte School District 20-1, in our K-12 cooperative of Cheyenne-Eagle Butte Schools. It is an honor to partner with you and our community partners to ensure each learner is nurtured by competent and caring staff and a high-quality school system.

My experience includes serving as a Superintendent, Middle School Principal, Elementary Assistant Principal, Special Education Coordinator, 6th Grade Teacher, Kindergarten Teacher, and as a FACE Program Early Childhood educator. I am a proud graduate of Montana State University-Bozeman, Sinte Gleska University, and United Tribes Technical College. My professional focus is Educational Leadership, Elementary Education, Early-Childhood Special Education, and Education Technology & Careers Education. It is no small statement to let you know that I am proud to serve you and our community for our children.

National recognitions for leadership and commitment to education include: Inaugural Recipient of the National 2020 U.S. Presidential Cybersecurity Educator's Award; 2019-2020 North Dakota Governor's Innovation in Education Award for Excellence in Building Leadership; and the 2019 North Dakota Governor's Excellence in Public Service Roaming Bison Award. I currently serve on the South Dakota Department of Education's Committee of Practitioners where I'm active in promoting educational equity for all learners within South Dakota and have earned National Superintendent's Certification with the AASA.

Always keeping busy to make education the best it can be for our learners, I contribute to collaborative local, state, and national technology-based education initiatives with a practical focus on the school turn-around process to promote student success in education. Recent successes in collaboration with my C-EB colleagues include: the development of our parent committee, growth of our academic leadership team, growth of our teacher leadership team, facilities and campus improvements, continued strengthening of policy and procedures to benefit our school, and the continued growth of community partnerships to benefit our learners, staff, and community.

Education is my passion and I strive to be a lifelong learner in the education field and in life. I would like to thank you for your partnership and dedication as we work together to support our learners and future. With a little positivity and hard work, there will be no stopping our learners from thriving. Let's work together to make this a spectacular year!

Kara Four Bear

Superintendent

Eagle Butte Public School District 20-1
