Re: Public & Tribal Input - Invitation

The Eagle Butte School District holds scheduled public hearings throughout the year, which are specifically devoted to presenting information, answering questions, and gathering public and Tribal input. A Public & Tribal Input meeting will be held on April 30th at 5:30 pm in the UE cafeteria and information will be shared on topics related to our Indian Parent Policies (IPP), educational programming, and federal programs including, but not limited to: Title I, Title II, Title IV, Title V, Title VI, IA, Perkins, etc. Stakeholder input, including that of the CRST TEA Director and the Wakpa Waste' Tiospaye Parent Committee, are always welcome. The different means of contacting the Superintendent to provide input include a submission in writing, via email, phone call, or message.

Goals of the Eagle Butte School District, as a cooperative partner of Cheyenne-Eagle Butte Schools, include the continued provision of high-quality instructional programming, enrichment activities, culturally relevant activities, social-emotional supports, and a focus on increased student attendance.

We look forward to your continued partnership in ensuring our school goals are realized and come to fruition.

As always, please do feel free to reach out should you have any questions or require further information.

Best regards,

Kara Four Bear

Superintendent
